Queen Lane Water Treatment Plant

3565 Fox Street, Philadelphia, PA 19129

Join the YMF for a tour of the Philadelphia Water Department Queen Lane Water Treatment Plant in Philadelphia, PA. A social with lunch will be held on-site following the tour. The Philadelphia Water Department treats raw water drawn from both the Schuylkill and Delaware Rivers as well as the sewage collected from the surrounding homes, business, and factories. Queen Lane Water Treatment Plant also recycles biosolids into clean, beneficial soil-like compost. This event has a 20-person maximum capacity.

When: Friday, December 1, 2023
Time: 12:00 PM - 2:00 PM (Arrive by 11:45 AM to promptly begin the tour)
Cost: FREE for Professionals and Students
RSVP: [HERE](#) by Thursday, November 30, 2023
Notes: Closed-toe shoes are required for this tour. Hard hats are not required, but preferred. No photography is allowed inside the plant. A waiver will need to be signed prior to attendance of this event
Please meet us at the Queen Lane guard house by 12:00 PM, as the tour will begin promptly.
