

American Society of Civil Engineers Philadelphia Section Younger Member Forum

Critical Issues Seminar Federal Infrastructure Plan

Wednesday, April 25, 2018

Location: Down Ultra Lounge (Next to Howl at the Moon)

262 S. 15th St., Philadelphia, PA 19102

Please join the ASCE Philadelphia Younger Member Forum for its annual Critical Issues Seminar, a technical panel discussion where we invite professionals to discuss a currently pressing issue in the field of Civil Engineering. The topic this year will be the Federal Infrastructure Plan. Panelists at this year's Seminar include:

- **Leslie Richards** - Secretary of Transportation at the Pennsylvania Department of Transportation
- **Michael Girman** - Vice President at AECOM and ACEC/PA's Government Affairs Committee Chair
- **Stephen Mullin** - President & Principal of Econsult Solutions & Adjunct Instructor at Drexel University's Center for Public Policy

Appetizers will be provided, along with a cash bar.

When: Wednesday, April 25th
Time: 5:30 PM to 08:00 PM
Cost: FREE
RSVP: <https://tinyurl.com/2018CIS>
by Monday, April 23rd

NOTE: **Limited spots available!** Due to space restrictions, attendees will be limited to adding 3 guests to their registration.

Questions? Please contact Mike Zettlemoyer (michaelzettlemoyer@gmail.com).
