**Virtual Game Night
(Webinar Link after RSVP)**

Thursday, January 14, 2021

via Zoom

Please join us for a game night through zoom! COVID-19 has made expanding and diversifying our network more difficult. We are going to create a fun space to meet new people within the industry virtually. Everyone joining game night will be placed in a random team! Each team will be placed in "break out rooms" to play games and get to know each other. Break out rooms will be reset every 30 minutes.

When: Thursday, January 14, 2021
Time: 5:30pm - 7:00pm
Cost: FREE
